3/29/05 R04-04-003 Order Instituting Rulemaking to promote policy and program
coordination and integration in electric utility resource planning.

Summary: On March 24, 2005, Mona Tierney, Director of Government Affairs of Constellation NewEnergy, Inc., representing the Alliance for Retail Energy Markets (AReM), met with Julie Fitch, advisor to Cmmr. Peevey, in San Francisco. Tierney discussed the assigned Commissioner's Ruling dated March 14, 2005. Tierney articulated AReM's concerns that the Ruling represented an inappropriate expansion of the current application of intervenor funding from CPUC to CEC processes. Tierney stated that CEC has developed the Integrated Energy Policy Report with significant public participation and without the need for intervenor compensation. Tierney noted further that information that is provided in response to CEC requests is considered confidential.

Summary: On March 30, 2005, Billy Blattner, CPUC Relations Manager for San Diego Gas & Electric Company (SDG&E), met with Karl Bemederfer, advisor to Cmmr. Kennedy, Rami Kahlon, advisor to Cmmr. Peevey, and Peter Hanson, advisor to Cmmr. Brown, in three separate meetings in San Francisco. Blattner asserted that the draft decision sets a dangerous precedent by requiring renegotiation of a price agreed to by two willing parties that was based on an independent appraisal and substantiated in the record of the proceeding. Blattner stated that project opponents' general comparisons of unencumbered property values are not appropriate. Blattner indicated that the renegotiation order could have a chilling effect on Section 851 transactions.
